

Code of Conduct

Objective

To identify values and ethical standards that is in line with the MTSH's vision and mission.

Commitments

We, the Boards of Directors and Executive Directors of MTSH, understand that the implementation of Corporate Governance is highly necessary and important to create sustainable business activities of the Company and to ensure the Company's competitive edge and improved corporate image.

We are sincerely committed from time to time and in good faith to improve the implementation of the Corporate Governance principles and make the effort to make it necessary and important for all parties in MTSH. As such, to ensure the implementation of the Corporate Governance for the achievement of high standards based on best practices. We will consistently strive to achieve the vision and mission of Myanmar Thilawa SEZ Public Limited as a world class company based on Corporate Governance.

We will continuously from time to time to review and update as necessary to the content of MTSH Corporate Governance and Code of Conduct. With shared commitments, MTSH will move forward, grow and excel to achieve its vision and mission to become a World Class company a status that will in turn create added value to MTSH itself, all its employees and the society in observance of Corporate Governance values.

Corporate Image

- The image of MTSH which was established based on corporate values serves as the foundation to the employees to execute the operational activities, particularly in interacting and serving the Company's customers, business partners and other stakeholders.
- All employees utilize and develop their own capacities and constantly create innovations for the Company's benefit and maintain company's image, loyalty and infrastructures and comply with what they should do or should not do to ensure customer satisfaction.

MTSH Internal Control

- Develop an effective functional internal control system to protect corporate assets and investments, and secure consistent implementation of Corporate Governance.
- Ensure that information or data and reported are accurate, reliable, timely, consistent and useful for all parties, and as regulated by prevailing policies, procedures, rules and laws and regulations.
- Carry out regular and periodic (internal & external) audits, evaluations and consultations regarding the capacities, effectiveness, consistency and quality of work of the operational management of MTSH.

Protecting Company's Assets

- MTSH assets include tangible (buildings, money, equipment and system information technology) and intangible (intellectual property rights, trade secrets, inventions, business and technical information of sensitive nature, computer application programs, business and production knowledge and expertise) assets to be utilized properly and according to the authority given by the management.
- MTSH's assets cannot be used for personal benefit. All transactions should be approved by the management taking into account the delegation authority, review processes, and internal approval procedures.

Occupational Health and Safety

All employees shall observe all occupational health and safety rules in order to establish a safe and healthy working environment.

Compliance with Laws & Regulations

- In all business undertakings, the Company will always encourage compliance with applicable laws and regulations and the principles of a sound corporation as part of the effort to be a good Corporate Citizen and a responsible agent of economic growth.
